**Christian J. Hatfield
PHOTOGRAPHY**

Kauai, HI 96703

Kauai, the oldest of the Hawaiian islands also known as the "Garden Island." In addition it is the home of a variety of native marine life, humpback whales (kohola), dolphins (naia), turtles (honu) and much more, many of which are endangered species. You can see more photos of the island life in paradise at www.christianjhatfield.net
